

We currently offer a wide variety of Feet, eyes and other carving and painting supplies in stock. We carry block and flitch tupelo. Cutouts available upon request.

Painting Supplies

We carry Jo Sonja Paints, Jo Sonja paint is specifically designed to meet the needs of artists who demand the finest quality pigments, are concerned about the longevity of their work and require a painting medium with truly unlimited applications. They are designed to cover in one coat, are lightfast and will not fade. Paint on wood, metal, glass and tile, fabric, walls, floors - virtually any surface and use only one set of paints! This is the finest quality acrylic paint available for decorative art, wildfowl and fine art techniques. Acrylic paints in 2.5 oz tubes.

[REDACTED]

Feet

Full size one piece bird feet cast from a quality pewter alloy. Quality feet like these can add the extra measure of accuracy that makes your carvings "come to life". Many of these feet are made with a tempered wire armature center to add support for your carving. Please contact us for product availability

Glass Eyes

We have glass eyes for any and all song birds, duck, and birds of prey.

Contact us for more details.
